**"O give thanks unto the LORD; call upon his name:
Make known his deeds among the people." Psalm 105:1**

March brought both joy and sorrow—reminders that ministry often holds both at once. Earlier in the month, our family traveled to our sending church in Ohio, where I was invited to preach and share how the Lord has been working here in Calgary. It was a blessing to reconnect with supporting churches, as well as friends and family.

But while we were away, we received word that someone in our church had gone home to be with the Lord. It was our first funeral as a church family. We ended our trip early and drove 55 hours straight to be back with our people. Plans changed—but God was still at work.

The funeral service was sacred. In the midst of sorrow, 18 individuals trusted Christ as their Saviour. Only the Lord can bring life out of death. We give Him all the glory. Praise the Lord!

In April, we were blessed to host a team from our sending church, **Bible Baptist in Wilmington, OH**, including Pastor Josh Dixon, my mentor and friend. Their visit came at just the right time, when our hearts and hands needed strengthening. And true to their character, they didn't come to observe—they came to serve!

From canvassing and praying with our people to encouraging the church and standing beside us during two baptisms, they poured themselves into the work. The Lord used their presence to bring encouragement, joy, and renewed vision—both to our family and to the church.

Their visit reminded us that missions is more than support—it's a partnership. And we thank the Lord for sending that help when we needed it most.

Finally, this month, we quietly crossed a milestone we never set out to chase. Our YouTube channel passed 100,000 subscribers.

We don't measure success by numbers, but by faithfulness. Still, each one of those subscribers represents a soul. Only eternity will tell what the Lord has done through this platform. We give Him all the glory and praise! Thank you Lord!

A New Place to Gather and Grow

Starting this Wednesday, we'll begin meeting in a new midweek location. Our current space only seats 25, but this new facility can hold over 160 inside, with outdoor space and a separate classroom—giving room to grow toward 200+.

We're still meeting at the Cinemas on Sunday mornings, and we thank the Lord for that. This new midweek space is an added opportunity to gather, disciple, and reach more people.

It's not permanent everyday location, we're still renting by the hour, but we see God's hand of provision, and we trust He's leading each step. Please pray with us as we continue to follow His direction.
