## MONTHLY HIGHLIGHT

### Burdened for Alberta (Update)

Our social media campaign advertising our Salvation video to people who live in Alberta, Canada was a huge success. The video has reached over 31,000 Albertans, 1,100 of whom clicked the link for more information, and one confirmed salvation! Praise God!

## Merry Christmas & Happy New Year!

2021 was a huge year for us, and we want to take a moment and praise God. Praise God for our family; for our health and safety throughout the year; for our Pastor Josh Dixon and sending church Bible Baptist Wilmington; for Steve's ordination, our sending services, and approval as BBFI Career Missionaries to Canada; for six months of a solid and packed deputation—visiting 35 churches; for 24 of those churches partnering with us—raising 30% support—and for the many others supporting us in prayer; for all the pastors and churches who have a heart for missions; for His will for our lives, the many answered prayers, souls saved, and continue growth and provision! We are looking forward to what God has in store for us in 2022.

## November and December

We had a pretty solid schedule traveling to Mississippi, Texas, and around Ohio in November and spent most of December at home with our sending church. We were blessed to be home with friends and family for Thanksgiving and Christmas. But by the end of December, we were ready to hit the road again. For the first time in our adult lives, we were away from home, traveling to Arizona for New Years.

**Coming Next Month:** We will be introducing our start-up costs goals. These goals represent the support that we need to raise for moving, housing, ministry, passports, language, etc. Please join us in prayer that God will provide for these needs.
