MONTHLY HIGHLIGHT

Happy Birthday Steve & Laura!

Did you know that Steve is only 24 days older than Laura? This year we spent both of our birthdays at home with family. We want to thank everyone who made our birthdays special this year.

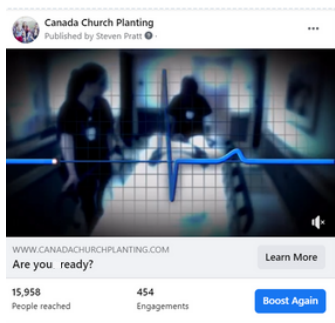

BURDENED FOR ALBERTA!

I often ask myself, how can I reach the people God is calling me to while I am currently on deputation? How can I share the gospel while being thousands of miles away? Answer: Through the use of social media.

During the pandemic, the Lord placed on my heart a burden to create a video that would lead individuals to Christ. The video brings the reality of death to the individual's attention and then leads them through the gospel. Afterward, the individual can click the "Learn More" button to be navigated to our website.

Our previous campaign reached nearly 16,000 people and we had many responses. Now that our presence and audience have grown in Canada we will be starting a 60-day campaign targeted specifically at Calgary, Alberta, Canada.

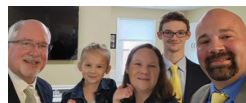

Please pray that many will come to know the Lord through this video campaign.
